The conference also provided a common platform for researchers from the Academia as well as the Industry to discuss and present their research work and provided an opportunity for collaboration among them.

## **ABOUT INDIAN ACADEMICIANS AND RESEARCHERS ASSOCIATION**

### **(IARA)**

Indian Academicians and Researchers Association (IARA) is an educational and scientific research organization of Academicians, Research Scholars and practitioners responsible for sharing information about research activities, projects and conferences to its members.

IARA is dedicated to advancing education research as a scientific and scholarly field. It promotes the use and application of education research around the world. One of the aims of the Research Association is to bridge the gap between the researchers and publishing their research work to the world community. It organizes conferences and help in facilitating the publishing of promising research papers. IARA is engaged in helping researchers to publish their promising research work in Journals indexed at Scopus, ABDC, Web of Science, UGC Care etc.

This Association was organized with six major objectives:

- To encourage scholarly work in research.
- To encourage Researcher to become involved in systematic research activities.
- To foster the exchange of ideas and knowledge across the globe.
- To provide a forum for discussion of problems related to educational research.
- To conduct workshops, seminars, conferences etc. on educational research
- To provide financial assistance to the research scholars.
