# V-CMT 2019

VSIT has been developing its annual conference, V-CMT since last 5 years. It is a fertile ground for germination of new ideas and innovation. Keeping this in mind, V-CMT 2019 aim to focus on the theme **"Policy Initiatives of Government of India - Appraisal and Assessment"**. The objective of the conference is to evaluate the impact of government initiatives and policies through its merit, worth and utility as it is implemented in various sectors. The conference will analyze the economic and social impact of the policies, and also study the role of technology in the implementation of the policies. Even as the government attempts to propel the nation progress with its policies it is important for academicians, industry personnel and students to know what policies and implementations stand to bring about the Indian economy. The conference will bring together visionaries from different sectors to identify strategies and discuss the best practical approaches to work the nation towards a stronger and developed one.
